RLV Technology Exposition Begins at Marshall Tuesday

The Reusable Launch Vehicle Technology Exposition will be held at Marshall Tuesday and Wednesday. Five NASA centers will participate to highlight their capabilities and roles in developing technologies for advanced space transportation systems. Presentations by Langley and Ames Research Centers are on the agenda for Tuesday. Presentations will be made in Morris Auditorium. Exhibits will be located in Bldg. 4200, Room G13.

Exchange Seeks Volunteers for Annual Easter Egg Hunt March 16

Volunteers are needed to help with the annual NASA Exchange-sponsored Easter Egg Hunt scheduled for March 16. In case of rain, the event will be held March 22. Children of Marshall employees and on-site contractors may participate. **Contact:** Exchange Office, 4-7564.
